## **PISTOLS 2 monthly rotating matches**

***Pistols on the 1st Sunday of each month at Dairyville. 1/2 price Range Fees if you shoot Field Class in the morning***

***Pistols on the 3rd Saturday of each month at Dairyville.***

**Paper targets** – Matches will be shot at distances between 10 – 30 meters may be on turning targets with different timings. Ideal for beginners and suitable for P650 shooters.

**Practical Pistols** – Stages are composed of cardboard and steel targets, moving targets, targets that react when hit. Targets are concealed by barricades on a stage that the shooter moves through. This match is shot with speed and accuracy. Not for beginners and No P650 shooters.

**Service Pistols** – Not a conventional service pistol match, matches can be shot out to 50m possible matches can include barricades, standing, kneeling, sitting and prone. Geared towards Intermediate shooters as it has a fair bit of movement. No P650 shooters

**Steel & Paper** – Matches could be all steel or a mix of paper and steel targets for that reason only lead rounds are to be used. Shooting will take place from static boxes. No P650 shooters. Suitable for all shooters.

### Howard Street-
